As at the Latest Practicable Date, the issued share capital of the Company comprised 1,635,291,556 Shares. Subject to the passing of the ordinary resolutions approving the Issue Mandate and on the basis that no further new Shares will be issued or repurchased up to the AGM, the Company would be allowed under the Issue Mandate to issue a maximum of 327,058,311 Shares. In addition, an ordinary resolution will also be proposed for the Shareholders to consider and, if thought fit, approve the extension of the Issue Mandate by adding the total number of Shares which may be allotted or agreed conditionally or unconditionally to be allotted by the Directors pursuant to the Issue Mandate the number of Shares purchased under the Repurchase Mandate, if granted. Details of the Issue Mandate and the extension of the Issue Mandate are respectively set out in paragraphs 4 and 6 of the AGM Notice.

3. GENERAL MANDATE TO REPURCHASE SHARES

At the last annual general meeting of the Company held on 20 June 2014, the Directors were given a general mandate to repurchase Shares.

Such general mandate to repurchase Shares will lapse at the conclusion of the AGM. This appendix serves as an explanatory statement, as required by the Listing Rules, to provide relevant information to you in connection with the Repurchase Mandate.

1. LISTING RULES

The Listing Rules permit companies whose primary listings are on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions, the most important of which are summarized below:

- (a) the shares proposed to be purchased by the company are fully-paid up;
- (b) the company has previously sent to its shareholders an explanatory statement complying with the provisions of Rule 10.06(1)(b) of the Listing Rules; and
- (c) the shareholders of the company have given a specific approval or a general mandate to the directors of the company to make such purchase, by way of an ordinary resolution which complies with the provisions of Rule 10.06(1)(c) of the Listing Rules and which has been passed at a general meeting of the company duly convened and held and the company has delivered a copy of such resolution, together with the necessary supporting documentation, to the Stock Exchange in accordance with Rule 10.06(1)(d) of the Listing Rules.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued and fully-paid up share capital of the Company comprised 1,635,291,556 Shares. Subject to the passing of the resolution in relation to the Repurchase Mandate and on the basis that no further Shares are issued or repurchased by the Company prior to the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 163,529,155 Shares.

3. REASON FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and our Shareholders as a whole. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and our Shareholders.

4. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Memorandum of Association and the Articles of Association and the applicable laws and regulations of the Cayman Islands. Pursuant to the Repurchase Mandate, repurchases will be made out of funds of the Company legally permitted to be utilized in this connection, including profits of the Company or out of a fresh issue of Shares made for the purpose of the repurchase or, if authorized by the Articles of Association and subject to the Companies Law, out of capital of the

Company and, in the case of any premium payable on the repurchase, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company. The Company may not repurchase securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

5. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited consolidated financial statements contained in the Company's annual report for the year ended 31 December 2014) in the event that the Repurchase Mandate is exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

6. SHARE PRICES

The highest and lowest prices at which the Shares have traded on the Stock Exchange during each of the previous 12 months preceding the Latest Practicable Date were as follows:

7. GENERAL

The Directors have undertaken to the Stock Exchange that, so far as the same may be applicable, they will exercise Repurchase Mandate in accordance with the Listing Rules, the Memorandum of Association and Articles of Association and the applicable laws and regulations of the Cayman Islands.

None of the Directors nor, to the best of their knowledge, having made all reasonable enquiries, any of their respective associates (as defined in the Listing Rules), has any present intention, if the Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company or its subsidiaries.

No connected person (as defined in the Listing Rules) of the Company has notified the Company that he has a present intention to sell any Shares to the Company or has undertaken not to do so, if the Repurchase Mandate is approved by the Shareholders.

8. EFFECT OF TAKEOVERS CODE

If, as a result of a repurchase of Shares, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purposes of Rule 32 of the Takeovers Code. Accordingly, a Shareholder, or a group of Shareholders acting in concert (within the meaning under the Takeovers Code), depending on the level of increase in the interest of the Shareholder(s), could obtain or consolidate control of the Company and become(s) obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, Fortune Apex Limited is interested in 458,073,024 Shares, representing approximately 28.01% of the total issued share capital of the Company, under the SFO. However, neither the Company nor Fortune Apex Limited is aware whether Luckever Holdings Limited and Wiaearn Holdings Limited hold any Shares.

In the event that the Directors exercise in full the power to repurchase Shares under the Repurchase Mandate, the shareholdings of the Company held by Fortune Apex Limited, Luckever Holdings Limited and Wiaearn Holdings Limited would be increased. If their aggregate shareholdings reach 30% or more, they would be obligated to make a mandatory offer in accordance with Rule 26 of the Takeovers Code unless a whitewash waiver is obtained. Save as aforesaid, the Directors are not aware of any consequences which may arise under the Takeovers Code as a consequence of any purchases made under the Repurchase Mandate. The Directors have no intention to exercise the Repurchase Mandate which may result in possible mandatory offer being made under the Takeovers Code or the public float of the Company falling below the minimum percentage prescribed by the Stock Exchange.

9. SHARE REPURCHASE MADE BY THE COMPANY

No purchase of Shares has been made by the Company in the six months prior to the Latest Practicable Date, whether on the Stock Exchange or otherwise.
