The Shares which may be repurchased pursuant to the Repurchase Mandate are up to 10% of the total number of issued Shares of the Company on the date of passing the resolution approving the Repurchase Mandate.

3. REASON FOR REPURCHASES

The Directors believe that the Repurchase Mandate is in the best interests of the Company and our Shareholders. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share. Repurchases of Shares will only be made when the Directors believe that such repurchases will benefit the Company and our Shareholders.

4. FUNDING OF REPURCHASES

In repurchasing Shares, the Company may only apply funds legally available for such purpose in accordance with the Memorandum of Association and the Articles of Association and the applicable laws and regulations of the Cayman Islands. Company and, in the case of any premium payable on the repurchases, out of the profits of the Company or from sums standing to the credit of the share premium account of the Company. The Company may not repurchase securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time.

5. IMPACT OF REPURCHASES

There might be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited consolidated financial statements contained in the annual report for the year ended 31 December 2016) in the event that the Repurchase Mandate is exercised in full at any time during the proposed repurchase period. However, the Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or on its gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.
